**Subject:** Macomb Injection Well #5, #13 & #14

Nicole,

I have forwarded the revised closure plan, site map and the inventory supplemental list for the three injection wells (cess pools) list below at Macomb Reservation state park.

Injection well number #13, Comfort Station #6

Injection well number #14, Comfort Station #7

Injection well number #5, Comfort Station #9

Our current timeline is to have the buildings and injection wells removed during the 2<sup>nd</sup>-3<sup>rd</sup> week of June, and thus a closure report will follow in late June or Early July.
